Subject: 17 July... 17 days and counting until Creation Fest 2023
Date: 17 July 2023 17:51:09

Hi friend,

Today is the 17 July and it's 17 days until Creation Fest... see what we did there! We can't wait to gather together very **very** soon!

Here's all the Creation Fest updates you'll need until then...

CREATION FEST DAY TICKETS

Gather in the joy of community for four days of music, talks, art, skate, and boundless adventure as we spend time with Jesus at Creation Fest 2023.

We exist through the financial support of regular donors and our amazing camping community but for day-visitors we are proud to be one of the only free-to-attend, gospel-centred festivals in the UK.

We are free because we believe that the good news of a God who loves us should be freely shared, freely heard, and free for all. But although it may be free to attend as a day-visitor, it isn't free to put on, which is why we need your support for this and the year-round ministry that we undertake.

That's a lot of smiles and some happy news... Please consider giving when booking your free day ticket. We're close to releasing our full programme and timings, check back the week of the festival for full details for this. Until then, check out our **Main Stage at a glance** lineup below to see what day you might want to book for.

CREATION FEST GOES GREEN...

We love **orange**... but we love **green** too! We've been taking steps to make Creation Fest a greener place to be and we'd love you to join us!

Here's some way you can help us be more sustainable this summer:

Bring your own water bottle and refill it at one of the many taps on site. Help us eliminate single-use plastics AND save money. It's a win-win.

Pack your reusable coffee cup. We're trying to reduce the number of coffee cups that end up in landfill and this is one easy way.

To encourage less water wastage onsite, we are limiting our campers shower use to 5 hours each morning and 5 hours each evening. (Shower times: **6am-11am / 4pm-8pm**)

Leave no trace. Respect the beautiful countryside that surrounds the showground by placing all of your rubbish into the waste and recycling bins provided.

If you see a **green** recycling bin, please dispose of paper, cards, plastic and glass in them.

Our **red** general waste bins are for soiled items, food and general waste products only.
