# **FAITH, HOPE & CLIMATE**

## ***Responding Positively to the Climate Emergency***

*How should we as people of faith be responding to the crisis of climate change and species extinction which is confronting all life on earth? Is there a Biblical basis for concern about these issues and how should our lives and our worship be shaped by these events?*

Come and share your concerns and your ideas as to how we, as a Christian Community, can respond positively – and share that positivity with others!

*Speakers include Rev Dr Lucy Larkin*

*Katrine Musgrave, Luci Isaacson & Dr Euan McPhee*
