

FRI 3RD JAN 7PM TO SAT 11TH JAN 7PM 2020

192 hours of continuous worship in 8 locations throughout the county.

Because everything flows from The Greatest Commandment.

First things first. "On earth as it is in heaven."

CORNWALL 192 HOURS

Worshipping Friends is a registered charity based in Cornwall and a collective of worshippers and musicians from around the South West. "Simply loving God, going as He leads and playing a part in the restoration of night and day worship in the nations."

We believe practising the Greatest Commandment, loving God with our all, is our highest honour and the most significant act here on earth. He moves powerfully through the praise and worship of His people. We love to gather, linking with local churches, for extended times of worship. Giving Him all the glory and space to do what only He can do in hearts, households, communities and localities.

From Friday 3rd January to Saturday 11th January we are excited to gather for 8 days of continuous worship. Worshippers and musicians from across the county gathering together to simply fix our eyes on Jesus, lift up His Name and say 'Yes and Amen' to all He has for Cornwall and our nation.

All are welcome to pop in for as little or as much time as suits, whether it's to sit and be or join us in singing His praise. We understand there are many different styles and expressions of worship throughout the church and these gatherings could be described as informal, contemporary and prophetic worship. Worshippers and musicians release hymns, psalms, new songs, loving and honouring God and loving and honouring each other as we stand together in corporate worship.
