St Gluvias Community Hall is near the centre of town – but its location is one of Penryn's best-kept secrets. Some think that it is near the Church! It is not near the Church! It is tucked away at 48 West Street with its far end accessible from Calver Close.

Directions: On foot, its address is 48 West Street, Penryn TR10 8ER. Approached from town centre, the entrance is on the right via a gate marked 48, just before the open carport for no.50. The footpath – lit automatically – leads down via steep steps to the main entrance door.

By bus, from the Falmouth direction – and for all departures from the Hall – use the bus stops in the town centre, following the 'on foot' directions above.

By vehicle, its address is Calver Close, Penryn TR10 8SG. Approach along West Street (one-way from the Truro direction); turn left into Calver Close and follow the road down to the bottom where it opens out. The Hall is on the right. There is very limited parking (spaces H4-H10 only), all of which require a Parking Permit. We have a limited allocation of permits which must be displayed.
