# A chain of prayer and praise around the South West!

Saturday 30th May 2020, 2pm-2.30pm

Imagine every one of the 630 miles of the South West coast path hosting a chain of believers united in prayer and praise. Join Christians of all traditions on Saturday 30th May 2020 as we stand together asking God for His Kingdom to come in the region.

We believe God is wanting to impact the 2.6 million people who live within these South West counties and prayer will be key to this being possible.

Imagine this South West Coast Path providing the platform for an interdenominational wide prayer gathering with Christians standing together in unity at each of the 630 miles.

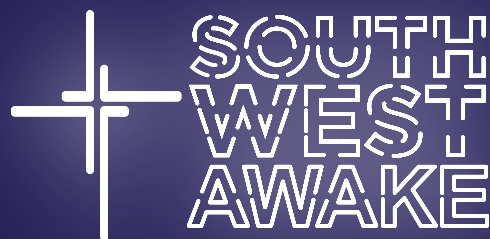

Imagine a moment when we look out to the sea and thank God for the Gospel coming to these shores. We then turn to the land and pray that God would awaken the hearts of each person who lives in the South West and prophetically declare 'these bones shall live'.

Then this ring of prayer becoming a ring of praise – when across the 630 miles, trumpets, foghorns and other instruments unite together in declaring there is no one like our God.

Together, churches from all across the South West standing together on this highly symbolic boundary. Join us as we declare South West Awake!
