## What a journey so far!

Hi Friend,

I'm believing this is the year when we start building the Eternal Wall of Answered Prayer, a public piece of art that will tell a million stories of God's amazing power! We are carrying out final tests and getting quotes finalised and then it's time to start – I can't wait to share photos of the progress with you!

I've recorded a special video message where I try and convey some of my feelings right now. It's a bit emotional but please watch, share and pray for us as we approach a crucial few months!

Thanks for standing with us and helping us get this far. We couldn't have done this without you.

With all our love,

**Richard and the Eternal Wall team**
