Subject: 5 Weeks To Go! June Youth Leaders Newsletter
Date: 26 June 2023 14:21:30

Hey Wonderful Youth, Children and Families Workers,

We are just 5 weeks Sundays away from the most epic four days of the year as we worship, learn and play together at Creation Fest.

Our Camping Prices are still at Early Bird pricing, saving on average £30 per ticket, but the last day of early bird is June 30th. So, if there are any more young people from you community or congregation who aren't booked in yet, now is the time to get the best price. Camping tickets can be bought at our website, Creationfest.org.uk. Keep reading to see what's happening on site for young people of all ages!

Our day visitor tickets are free, giving great opportunity to invite those young people who are on the fence about faith into a space where they can encounter the love and grace of Jesus. Day visitor tickets will be released on July 1st through our website.

The Youth Venue

As a festival for all ages, Creation Fest is a brilliant place to explore and deepen faith with friends, family and the wider church. It is a great place to bring young people at the edges of your youth group, who are exploring faith in Jesus for the first time.

The morning teaching programme will be led by Grace Wheeler and Josh Green. This year's festival theme 'Rhythms of Faith' will be tailored specifically for where young people are at. Over the four days, we will be exploring: Creation & Scripture, Prayer & Mission, Rest & Community and Resilience. Young people coming with groups or families can explore these themes over the weekend together.

The afternoon is designed to cultivate new friendships with the venue being open for games and crafts, our very own tuck shop and a fantastic range of small group activities to go deeper into the festival themes.

The evenings will be an opportunity to ask and explore the big questions of life with the Brilliant Alpha team and go a little bit crazy at a silent disco or party.

If you are a youth group based in Cornwall, this opportunity is right on your doorstep, with a range of things to do onsite, easy access to local supermarkets, and the beautiful North Cornwall coastline.

[See what happened last year.](#)

The Children & Families Venue

You'll find everything from Family worship featuring our in-house band (including special guests!) Music, Dancing, Teaching, Film Nights, Games, Workshops, Devotions exploring God in fun and interactive ways and so much more! For children and adults alike the Families Venue is not to be missed!

We love encouraging families to engage in Bible study and worship together, creating a fun space to learn and laugh with each other.

But... we also realise that as parents or carers, it's also needed to spend time receiving from the word and soaking in the Spirit without the exuberant energy of our little ones! Which is why this year we are also running a sign-in time during the second Main Stage session, where our trusted Families Team will look after the kids whilst you can enjoy the talk and worship or even go for that coffee that you've been planning for some time! Whatever you do, we are sure you'll enjoy a little break on us!

Volunteer At Creation Fest

Want to be a part of seeing the lives of young people changed? Why not volunteer for this years' festival! If you want to know more about volunteering for the festival looks like you can check it out here: [Sign Up to Volunteer](#).
