Date: 29 February 2024 16:47:53

Hello friends,

It's been a busy month or so in the Creation Fest offices and beyond! From launching our theme and camping for this year to prepping and praying for our all year round events... We're excited to be travelling to London and Plymouth next week alone but mostly looking forward to our summer festival - **Creation Fest 2024: Adventure!**

We just wanted to get in touch to let you know all that's happening this month and beyond and update you on ways you can join us this summer...

BOOK YOUR CAMPING AND SAVE YOUR £££ ON OUR EARLY BIRD PRICING!

If you missed it a couple of weeks ago, we were delighted to launch our camping booking and theme for 2024 PLUS invite *you* to join us by booking in with early bird pricing for 2024.

We'll be joined by Amanda Cook, Amy Orr-Ewing, Brian and Cheryl Brodersen, Fieldlily, Tim Chaddick, and creative communicators from around the world as we discover why following Jesus is the greatest adventure. With our pricing and planning, we have paid

attention to the cost-of-living crisis, current financial climate, and rising price costs. With this in mind, we will be running our early-bird rate from now until the end of May 2024, so if you want to join us for the best price possible then get booking now!

So save the date and join us. Don't forget, we are running our early bird pricing until **31 May** so make sure you don't miss out on joining us for the *best price possible!*

What are you waiting for?!
