To secure extra powers to make our own decisions about the things that are important to us, we'd need to change the way Cornwall Council is run by having an elected Mayor.

We'd get 30 years of extra funding, and powers to:

Build more homes for local people

Provide more skills and training

improve Cornwall's transport

Invest in innovation

Invest in green energy

Promote and protect the Cornish Language

It's your Cornwall, and your future. Get involved and have your say by 17 February 2023
