The Big Give Christmas Challenge starts now!

Double your donation to Quaker Social Action.

For one week only via the [Big Give Christmas Challenge](#).

Your support will have twice the impact, meaning our practical projects can enable more people on low incomes to seek solutions to the issues affecting their lives.

Please [join our challenge](#) and give what you can.

Each donation will take us closer to raising £42,500 and unlocking a further £42,500 in match-funding, which would give us a total of £85,000.

Together, we can offer practical support to hundreds of people living on low incomes in east London and around the UK.
