Who we are

a network encouraging local Christian unity for mission, partnering with churches, prayer groups, organisations and networks across the county in pursuit of our vision 'Inspiring Unity – Sharing our gifts'.

We work closely with local churches, Churches Together Groups, Local Ecumenical Partnerships and other faith groups across Cornwall, and also liaise with the other county ecumenical officers in the south-west counties and with Churches Together in England.

The CTC Executive includes denominational Church leaders and their Ecumenical Officers together with co-opted members from community organisations. Day-to-day operations are handled by the CTC Steering Group.

We are part of a global network:
Churches Together in England
Churches Together in Britain and Ireland

Conference of European Churches
World Council of Churches

Why we do it

To inspire unity and share our gifts for the benefit of everyone in Cornwall, Christian & those of other faiths or none
