The Liberator @ Brierley Hill Civic

What a night we had partnering with our local churches together group, *Love Dudley*, to put on this epic performance. Hundreds of people came to watch and we were blessed by our time at Brierley Hill Civic.

"It was absolutely stunning, inspiring, emotional, comical in parts but truly awesome. Can't wait to come and see it again." - Audience Member

The Liberator has been carved throughout seasons of unknown and seasons of grief to become the show it is today. We are very proud of this production and can't wait for you all to see it!

Come and see us in Woking tomorrow or in Birmingham on 10th June.

"Absolutely incredible, I'd even say it is my favourite Saltmine Theatre Company performance so far!" - Lisa Parks, Love Dudley

Bookings for September/October 2023 are OPEN
If you are inspired by our work, please consider putting on a show for your local community.
