# CREATION FEST

Hey friends,

Creation Fest 2023 was such a blast! We saw so many amazing things happen in our children's venues and our youth venue, with many young people making first time faith commitments.

Currently in our office we have a whole stack of response cards from our children's venues, full of various stories of what God has been doing in their lives. **If you have a testimony to send us from Creation Fest please email it to [media@creationfest.org.uk](mailto:media@creationfest.org.uk)!** What a joy (and sometimes a challenge...) it is working with young people when we get to see lives changed by the Gospel of Jesus.

## GLOW IS BACK!!!!!!

Our first Glow session is October 1<sup>st</sup> where we'll be looking at the theme Faith and Presence, what does it look like for us to engage and connect with Jesus on a personal level?

We'll be exploring creative ways that we can understand our faith, hearing experiences from some great people including Sarah Yardley, and looking at some of the reasons why a personal encounter with Jesus is so important, all while having a ton of fun as we make new friends and worship Jesus together.

Glow is a great opportunity for your young people to connect with others their own age in worship and great teaching.
