Hi ,

Thanks so much for praying with us at Creation Fest. We have been actively praying as a team that God would expand our faith, moving us from passive to active places of faith. We are longing to see revival and salvation across the UK and thank God for the open doors He is giving us to partner with churches to celebrate the good news of the God who loves us.

### **CELEBRATING**

#### **This month, we are thanking God for:**

- Open doors at Wadebridge School to share assemblies with 760 local students at secondary schools and speak about our identity as the loved children of God.
- Launching theme and vision for Creation Fest 2023 (3-6 August) inviting our campers, volunteers, and day visitors to explore Rhythms of Faith in partnership with their local churches.
- Creative gatherings including Glow, Church Leaders Luncheon, Youth Leaders Breakfasts, and a real sense of joy among all those we gather as a place of encouragement.

### **EXPECTING:**

#### **We are longing for:**

- An expanded faith that would see salvation and revival break out as our

young people experience the presence of God's Spirit.

- Healing and health as a number of our core team members have struggled with personal health and wider diagnosis.
- Creativity and vision for the structural work as we book contracts, plan camping, negotiate pricing, invite volunteers and campers to join us, and do this alongside a thriving local ministry in Cornwall.

### **FINANCES:**

**Many of you have prayed with us toward financial provision; thank you.**

We put out an appeal last November with a £70,000 deficit against the summer gathering. Over the past few months, we've received £27,000 in generous donations from individuals, churches, and friends in the UK, and an additional generous donation from America to cover the balance.

Our plans for summer 2023 include the vision to save costs wherever possible by:

- *Moving the main stage back inside the Big Shed*
- *Consolidating to one youth venue with excellent, high-quality teaching for ages 11-18.*
- *Reshaping the event to create key areas of saving and reducing venues wherever possible.*

We are still short approximately £50,000 against our summer 2023 gathering, and would appreciate your prayers as we reach out to grants, trust funds, international donors, and pray for wisdom.

One of the BEST ways you and your church family can support us is by camping at Creation Fest, so do consider joining us in this way summer 2023.

### **PRAYER GATHERINGS:**

**We pray at the Creation Fest offices every Tuesday from 9-9:30 AM, PL277BX.**

We'd love for all of our praying friends to join us but we recognise that's not realistic, so would love for you to consider booking a prayer slot to join us in praying for Creation Fest from your location! Sign up using this form below to commit to a time to partner with us in prayer.

Thanks for partnering with us in prayer as we long to see the Kingdom come and God's will done, here on earth as it is in heaven.

**With joy,**

The Creation Fest Team.
