CREATION FEST

Hello from the Creation Fest Team!

We hope your January has been fully of joy so far, we are excited to share some fun updates with you all.

Early Bird Tickets and Volunteer Applications!

On February 1st, both our Early Birds Tickets will be dropping, and our volunteer applications will be opening.

By buying your tickets early, you will have the opportunity to book your place at Creation Fest for half price.

Our pricing will be different this year, in response to feedback about the rising cost of camping at Creation Fest. We have heard you!

Click the image above for a video where Niall explains the new pricing model and gives you a little insight into the fun in store for Creation Fest 2025.

Fundraising for our Bursary Fund

Every year, Creation Fest put money into a bursary fund. This fund allows visitors to come and camp for the weekend without financial barriers.

This year, Niall, our new Team lead, is running a half marathon to raise money for this bursary fund.

His goal is to raise £100 for every mile that he runs, which will equate to £1310 in total.

Make sure to head over to our instagram and Facebook pages for weekly updates from Niall on how his training is going, and if you feel led to donate, please use this [Go Fund Me link](#).

New Dates for the Summer Festival!

Just a reminder of our new dates for the festival, which are 31 July - 3 August 2025!

If you want to be a part of the summer festival and give your time to make it happen, make sure to set your alarms for the 1 February when our volunteer applications will be opening.

There is something for everyone at Creation Fest, whether you're into skating,

coffee, stewarding, youth or kids work, we are sure you will have great fun volunteering with us.

Creation Fest

With joy,

The Creation Fest Team
