

News from
The Filling Station

Dear all,

After some good time in prayer and discernment, we have decided to postpone the launch of Filling Station Falmouth until the New Year and so **we shall not be meeting this Monday evening 12th September at Falmouth Rugby Club**. This is for a variety of reasons, many because this is simply what we sense the Holy Spirit saying at this time. I know this will come as a disappointment, and perhaps it is simply a test of our obedience? Who knows, however with a ministry of the Holy Spirit, one has to follow even when it isn't what you particularly want to hear. This will give us the opportunity as a leadership to not only attend the Filling Station Conference together in October, but also to ground this in a longer period of prayer and discernment which is simply what we sense the Spirit saying. I look forward to gathering as soon as we feel to be released to!

God Bless,

Ben Hudd
