The King Of Kings

Dear All,

We had a super exciting day here last week when the King and Queen consort came to visit our street!

So many people from the community gathered on Brick Lane with excitement to spare.

It reminded me the coronation is coming! What are you planning for the Coronation? We're producing a beautiful coronation version of Matthew's Gospel.

Let's take the opportunity to point to the King of Kings as we celebrate together.

Mathew 1:1 "This is the genealogy of Jesus the Messiah the son of David, the son of Abraham."

Whilst we plan and pray – let's remember to pray for the return of King Jesus, Amen.

Blessings

Hope 23-24: Let's pray and listen

Everything starts with prayer – and that's where we're starting with HOPE 23-24. **In our resources, we have a fantastic booklet that you can [download for free](#) to help you pray for your area and community as we build towards the 2023-24 year of mission.**

AND as we pray let's listen – listen to God and to our context. This will shape our mission and evangelism. [We have a partner booklet](#) to help you do this where you are.

Explore the future

Perspective is right around the corner. Join Dr Rachel Jordan-Wolf and the Evangelical Alliance's Rachael Heffer on 25th March at 10 am.

We will hear from futurist and expert Dr Patrick Dixon about where the church is headed in a post-covid world. He'll be looking at four signs of the times and what they mean for mission. We will also be hearing an interview with Rev. Amy Key, as she shares her own experience of church planting and mission at this time.

Can Jesus fix it? Yes, he can!

Jesus Fixes Things is a fun and creative illustration of the Easter story. This book tells the story of how God sent Jesus to fix the broken world.

The newest edition of the God's Big Story series, which uses the Early Learning Centre's Happyland toys, comes with a free downloadable resource to help children to hear, see, sing and play the story both at home and in a toddler group setting. Get it for as little as £1 with a multi-buy across the Happyland Range.
