Revisit The Dudley Passion Play 2024

We saw crowds gather in the historic town as joy and raw emotion filled the streets with the power of a story that changed the world. Over fifty volunteers and a thousand audience members come together for the two performances starting at Duncan Edwards Memorial and ending at Dudley College's Evolve Theatre.

#SALTMILERS Uri, Sam, Dave and James!

This year four #SALTMILERS ran in the iconic London Marathon and collectively raised over £10,500 to educate and empower young people through our Theatre in Education work. Having individuals run and raise money on our behalf is a unique privilege and a huge encouragement.
