HOLY WEEK AND EASTER, the DEATH AND RESURRECTION of our SAVIOUR,  
JESUS CHRIST

This is indeed our GOOD NEWS, in which we together rejoice.

May we ponder what happened to Jesus in Holy Week and rejoice when “he is risen indeed” on Easter Sunday.

May we be thankful that God has called us into a ministry of prayer and action for Justice and Peace.

As we wish each other Shalom, Peace, may we take time in this Holy Season to pray for our brothers and sisters in need where there is violence, war, persecution, hatred and injustice.

Amen
