THE BIG ONE

From 21st to 24th April 100,000 people
will surround the Houses of Parliament

Will you be one of them?

The Big One is set to be the biggest UK climate protest yet and lots of Christians will be there. Christian Climate Action is joining forces with a host of Christian charities and organisations to demand a fair society and a citizen-led end to the fossil fuel era.

**JUST
LOVE**

Tell me more!...

The Big One is kicking off on Fri 21st April with...

[Pilgrimage of Power](#)

Gather from 11am for a noon start
Outside, St Johns Church Waterloo

Christians of different backgrounds and denominations will come together for a prayerful and prophetic service outside in the beautiful grounds of St Johns Church Waterloo.

- Music will play as we gather
- Worship led by [Resound Worship](#), with songs relating to God's creation
- Hear from young people and those on the front lines of climate breakdown
- Post-service pilgrimage to Parliament. People are invited to write prayers for climate justice on a placard, which you can hold up as we walk. On our way, we will stop outside the headquarters of Shell.

In a real sign of unity, Christian Climate Action is holding the Pilgrimage of Power alongside Christian charities including CAFOD, Tearfund, Christian Aid, Young Christian Climate Network, Student Christian Movement, Just Love, Operation Noah and Green Christian.

What about the rest of the weekend?

The rest of The Big One weekend is set to be just as exciting. Expect lots of worship outside Parliament including Catholicmass, Anglican Eucharist and worship led by our friends from Black Majority Churches. All alongside lots of community, creativity, prayer and song for creation care.

- [Find resources including a prayer booklet and flyers](#). Perfect to use when you inviting people to come along with you.

Can you help us fund The Big One?

Putting together a protest of this size costs money. We want to make all your people-power, banner-power & prayer-power possible. [Please donate](#) if you can so we can make The Big One flourish.
