Prayer this spring

Dear All,

Welcome to April's e-news.

We've teamed up with Thy Kingdom Come and Local Houses of Prayer for this season of prayer from Ascension to Pentecost.

It's a time for us all to focus again on prayer – praying that those we know will come to faith in Jesus.

You can pray through the Lord's prayer in a new way with key resources to inspire you and your church.

Then do a little windowsill gardening while you pray for five friends and family to come to faith!

YOUR Wellbeing JOURNEY

WHERE ARE WE going?

Imagine living your best life... reaching that point where everything falls into place...

Imagine experiencing life to the full, firing on all cylinders...

Imagine discovering complete...

Joanna Adzyinka introducing The Wellbeing Journey film series, which she presents with Simon Thomas.

Where we are struggling, we'll find breakthrough. Where we're lost, we'll find guidance and where there's hurt, we'll see healing and restoration.

As we look at our physical, emotional, spiritual, relational, financial, and vocational wellbeing, we will discover that each of these areas is connected, and that God has a plan for our wellbeing.

greater creativity & purpose in work – your vocation

Jesus, the founder of Christianity, told his followers that he came so they can have real and eternal life (The Bible, John chapter 10 verse 10). The Wellbeing Journey is based on Jesus' life and teaching and offers his invitation to abundant life.

How are you?

It's a question we ask all the time but what's the real answer for many?

It's stress awareness month and a chance to tune in to others' needs – check out our [Wellbeing playlist](#). Also, who could you give the *Your Wellbeing Journey* booklet to and start a real conversation?
