Welcoming a third family to Falmouth/Penryn

Work is going on to apply to the home office to welcome a third family to Falmouth & Penryn. We've managed to get over the biggest stumbling block - finding a home for a family in this area - and we're looking for more volunteers to join our "Family 3 Team". Volunteers we're specifically looking for are:-

- ESOL
- Schools team
- Health – support attending appointments and navigating the systems
- IT help
- Social media
- Supporting in extracurricular activities

If you think you may be interested in this, please contact us at falmouithpenrynwelcome@gmail.com. There are plenty more roles to fill - such as helping get the house ready - so if you think this might be something you can get involved with please do get in touch with us to have a chat.

Please do share this poster with any friends, family

WE ARE LOOKING FOR NEW VOLUNTEERS!

Falmouth & Penryn Welcome Refugees is a Community Sponsorship group, and we will be welcoming a third refugee family to Falmouth in August this year. We are looking for new volunteers to help us. You don't need lots of previous experience, just a warm heart and a few spare hours per week.

Areas we need help with include:

- * ESOL - teaching 1:1 or supporting teachers
- * Schools team - helping families get the most from school
- * Health – support attending and making appointments
- * IT support and learning for our families
- * Social media support for our charity
- * Extracurricular activities programme

We are a warm friendly and diverse group who welcome new members of all ages and backgrounds. To find out more please contact us at:

Bryony is now moving on and we're looking for someone else to join us.

If you're interested, or know anyone who may be interested, please get in touch for an application form.

If you're unsure, please get in touch to have a chat and find out more. To find out more email falmouthpenrynwelcome@gmail.com or you can call 07944 296319 to have an informal chat.

This is a great opportunity for someone to work with a team of board members and volunteers trying to make a difference in what often seems to be a hostile environment.

Search for 3bed house to rent

Due to changes in circumstances, the first family we resettled in the area are going to be looking for a new home to move into by the end of April 2024. They are keen to stay in the Falmouth area, because everybody is so blooming lovely, and the family feel settled in the schools etc. If you, or anyone you know, has a 3bedroom house to rent to a family on low income, please get in touch with us via email. If you want to chat to someone to find out more, please let us know and we will call you back. Email falmouthpenrynwelcome@gmail.com.
