Merry Christmas and thank you from us all

2023 has been a record breaking year for the Cornwall Community Foundation. We have awarded an astounding 689 grants this year, the most we have ever awarded in a single year, totalling over **£2.9 million!** This funding has helped hundreds of community groups, charities, and organisations across Cornwall and the Isles of Scilly access funding they so desperately needed.

We want to take this opportunity to offer our heartfelt thanks to our incredibly generous donors and supporters. Your continuous support means we are able to help so many wonderful charities and community groups across the Duchy who are making a real difference to people's lives and making Cornwall and the Isles of Scilly a great place for everyone.

On behalf of all of us at the CCF, we would like to wish you joy and peace for Christmas and a very Happy New Year.

With best wishes,

Tamas Haydu CEO

Two Cornish hotels donate £8,000 to local charities, following a calendar of fundraising initiatives

The Greenbank Hotel and The Alverton Hotel have awarded £8,000 to two community organisations in Truro and Falmouth via CCF.

Since 2022, the two hotels have been fundraising for us, supporting our mission to help front-line, volunteer-led organisations making positive impacts in local areas around the county.

Pendennis Leisure CIO in Falmouth received a grant of £3,000 to go towards re-opening the Ships and Castles leisure centre, and £5,000 was awarded to Penn An Dre Resident's Association (PADRA) in Truro which will promote community spirit and bring residence together to ensure the peaceful cohabitation of all residents. Thank you for supporting our Surviving Winter appeal

Surviving Winter

We would like to say a heartfelt thank you to everyone who has donated to this year's Surviving Winter appeal. Sadly, since our appeal last winter the situation for vulnerable people across the Duchy has not improved and in fact for many it has got worse. Due to the ongoing cost of living crisis many individuals and families are facing another bleak and challenging winter.
