£2.7 MILLION injected into Cornish communities in 2023 - an all time record for CCF

The Cornwall Community Foundation has hit a new record this year and has grant awarded over **£2,700,000** to hundreds of organisations and charities across Cornwall and the Isles of Scilly.

Help struggling households via our Surviving Winter Appeal

We are appealing to anyone who receives the Winter Fuel Payment or will receive the new Pensioner Cost of Living Payment, but does not need some or all of it, to donate it to our Surviving Winter Appeal. Sadly, since our appeal last winter the situation for vulnerable people across the Duchy has not improved and in fact for many it has got worse, due to the ongoing cost of living crisis.

Those who are already financially stretched to their limit will once again struggle to heat their homes through winter, with many making heart breaking decisions to juggle basic needs. If you are in a position to donate, find out more [here.](#)
