CREATION FEST

We express deep gratitude for the churches, leaders, Christians, and friends who faithfully join us in prayer. It's good to recognise the significance in the power and presence of God's Spirit in our lives and work.

Our core team gathers for prayer every Tuesday morning at 9am, extending an open invitation to all at our offices - PL27 7BX. Your presence, whether in person or from afar, would be valued. As we unite in prayer, please consider lifting us up in the following ways:

Team - As we head into this Christmas season, we are looking forward to spending time with friends and family and getting plenty of rest before we head into 2024. Our team have been working hard to set up some new systems for 2024, these are big system changes and have been taking a lot of time and brain power. Join us in praying that these systems would come together in time for our expected launch date.

Glow - is our quarterly youth event held in Redruth. The next Glow event is this Sunday **December 3rd** where we are praying for great joy as our theme is the true meaning of Christmas. We're anticipating lots of fun and laughter but most of all that Christmas would become more than just another holiday in the lives of these young people.

Schools work - We are heading into Wadebridge school to lead 4 assemblies for years 7, 8, 10 and 11. We previously ran some assemblies back in February and were able to share a well-received message on faith. We are praying that the young people and teachers will love this message just as much, we will be sharing about how Jesus is the greatest gift that we could receive.

Theme - This is a key time in our planning as we pray into our theme for 2024. The theme for the festival is so much more than an idea plucked from the sky. It points to what God wants to do in the hearts and lives of the people who attend the festival. *Please pray with us and for us as we wait on God for what He wants for 2024.*

With such gratitude, we are thankful to God for,

Time to spend with family, friends and in his presence.

Team that are dedicated to sharing the love of Christ to all around them through the festival, youth work or through church work.

Availability and openness to lead 4 assemblies in Wadebridge school with a faith-based Christmas message.

With an eager heart, we ask God for,

Rest for our team and a refilling of Joy this Christmas.

His protection and provision for planning of all year-round events and the finances to facilitate a space for the Lord to move in ways that we could never imagine.

Him to open our eyes and ears that we may see and hear him in new ways every day. For a fresh outpouring of his spirit to our team, churches, family and friends so we may live our lives devoted to his calling.

*Go therefore and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, - **Matthew 28:19***
