We are so grateful for the churches, leaders, Christians, friends who partner with us in prayer. It's good to realise how much we need the power and presence of God's Spirit in our lives and work.

Our core team pray together each Tuesday morning at 9 AM (all are welcome to join us at PL277BX). A few ways you can pray for us specifically, either in person or from afar:

**Youth.** Every Tuesday our team run a lunchtime club in Wadebridge secondary school at 13:30. Please pray with us that the opportunity to go into Wadebridge Secondary school stays open and for the young people who attend the club. We are also running 4 assemblies in December around the Christmas story. Please pray for our after-school drop-in sessions for wisdom and boldness for our youth team.

**Glow.** Glow is our quarterly youth event held in Redruth. The next Glow event is December 3rd where we are praying for great joy and laughter as our theme is the true meeting of Christmas. We are also looking at the possibility of expanding Glow into other areas around the Southwest. Prayer for wisdom, clarity, and open doors if this is the Lord's will.

**Team.** We are in need of some more core team to help us in the running of year-round projects and Creation Fest 2024. If you know anyone who might be willing to commit a day or more a week to Creation Fest please email [office@creationfest.org.uk](mailto:office@creationfest.org.uk), and please pray spiritual protection and strength over our core staff and missional team.

**Funding.** We are in need of raising our monthly giving so that we can become more sustainable, we have a great team of people currently working on some grant applications, join us in praying that these will be successful. If you would like to give monthly to enable the year-round work that our team does, please don't hesitate to contact us or continue to pray for tangible generosity and provision for our funding needs.

**With such gratitude, we praise God for,**

The beauty of His presence that is keeping us full of the Spirit and the desire on our hearts to know Him more.

Christian conferences, leadership conferences and Glow youth events restoring, refilling and equipping the youth and leaders to be strengthened in their walk with Jesus.

Access to Wadebridge school to be a light within those walls. The input we get to have into our local teenagers' lives and the chance to reach more and more young people with the Gospel.

The Joy the Lord brings us at all times.

**With an eager heart, we ask God for,**

Even more of His presence and that we linger in it, and for a fresh filling our leaders and volunteers that guards us from weariness.

His protection and provision for team and planning of all year-round events and the finances to facilitate a space for the Lord to move among his people.

Protection over our ministry and church leaders; that the Lord would inspire them and give boldness to speak truth and life into every situation they may encounter.
