Are you signed up for IDOP 2023?

This November, we are joining with the Evangelical Alliance, Open Doors and Release International online on Sunday 5 November (7:30-8:30pm GMT) **to pray for those who share our faith, but not our freedom.**

We're uniting with countless Christians and churches, as we pray for hope, strength, and freedom for millions of persecuted churches across the world.

You can mark this together with your church too. You could [choose a CSW speaker](#) to share more at your church or small group or host a watch party so you can participate in the event together. Find out more at csw.org.uk/IDOP.

However you get involved in IDOP, your prayers and your support will make a difference to those who face injustice because of their religion or belief.

Thank you.

Freedom for Nguyen Bac Truyen!

In our latest Response magazine, we shared the incredible breakthrough of Nguyen Bac Truyen who, after six years of imprisonment in Vietnam, has finally been freed into exile in Germany.

Nguyen is a human rights defender and legal expert who took on cases of individuals who were being unfairly targeted, which also made him a target for the Vietnamese authorities.

Read more of his story and rejoice with us in his freedom [here](#).

P.S. Are you signed up to receive e-Response? Four times a year, we will send you an email full of our latest breakthroughs, case updates and inspiring stories of how you can get involved with our work for freedom and justice. By signing up [here](#), you'll also receive sneak previews and bonus content too.
