Happy New Year! We'd love to see you at our first online meeting of 2024...

Dear Roger

Here's wishing you a very blessed and prosperous 2024!

Each January for the past few years, David Shadbolt of [School of Prophecy](#) has brought a word in season. We're pleased to welcome David once again this new year on Zoom on Friday 12th January at 8am.

David is a well-known business person, prophetic minister and author. His two books have inspired many businesspeople to hear more clearly from God. We highly recommend: '[Hello David I'm God](#)' and '[God's Healing for Businesses](#)'.

For those who don't know David, you will be inspired by this 2022 recording where he shared with us on Zoom about decluttering for the year ahead. "It's time to let go of the past, to make way for the present..." If you feel God is repositioning you – you will be encouraged by this talk.

David has a passion to harness technology for the good of faith communities and loves business as well as prophetic ministry. His heart is to help people find their place in the Kingdom and be effective for God! As David's shirt says, 'No Limits!'

Do please join us for this annual highlight of our CTN programme and encourage others to be part of this timely Zoom call.

God bless, Frank & Barrie
Frank Bennett and Barrie Townsend.
