THE BIG ONE

From 21st to 24th April 100,000 people
will surround the Houses of Parliament

It's not too late to be one of them!

In less than two weeks, The Big One kicks off. Four days of action around the Houses of Parliament. With a focus on attendance not arrest, it's the perfect opportunity to protest with CCA for the first time (or the hundredth!)

The Big One is set to be the biggest UK climate protest yet and we're expecting

several hundred Christians to take part. Christian Climate Action is joining forces with a host of Christian charities and organisations to demand a fair society and a citizen-led end to the fossil fuel era.

Why we're doing this

'I will be at the No Faith in Fossil Fuels Service on the 21st of April – to stand in prayerful protest against fossil fuel expansion and to pray for just, wise and swift decisions from our Government. On this issue we must stand together.' - Rt Revd Olivia Graham, Bishop of Reading
