Hey Friends,

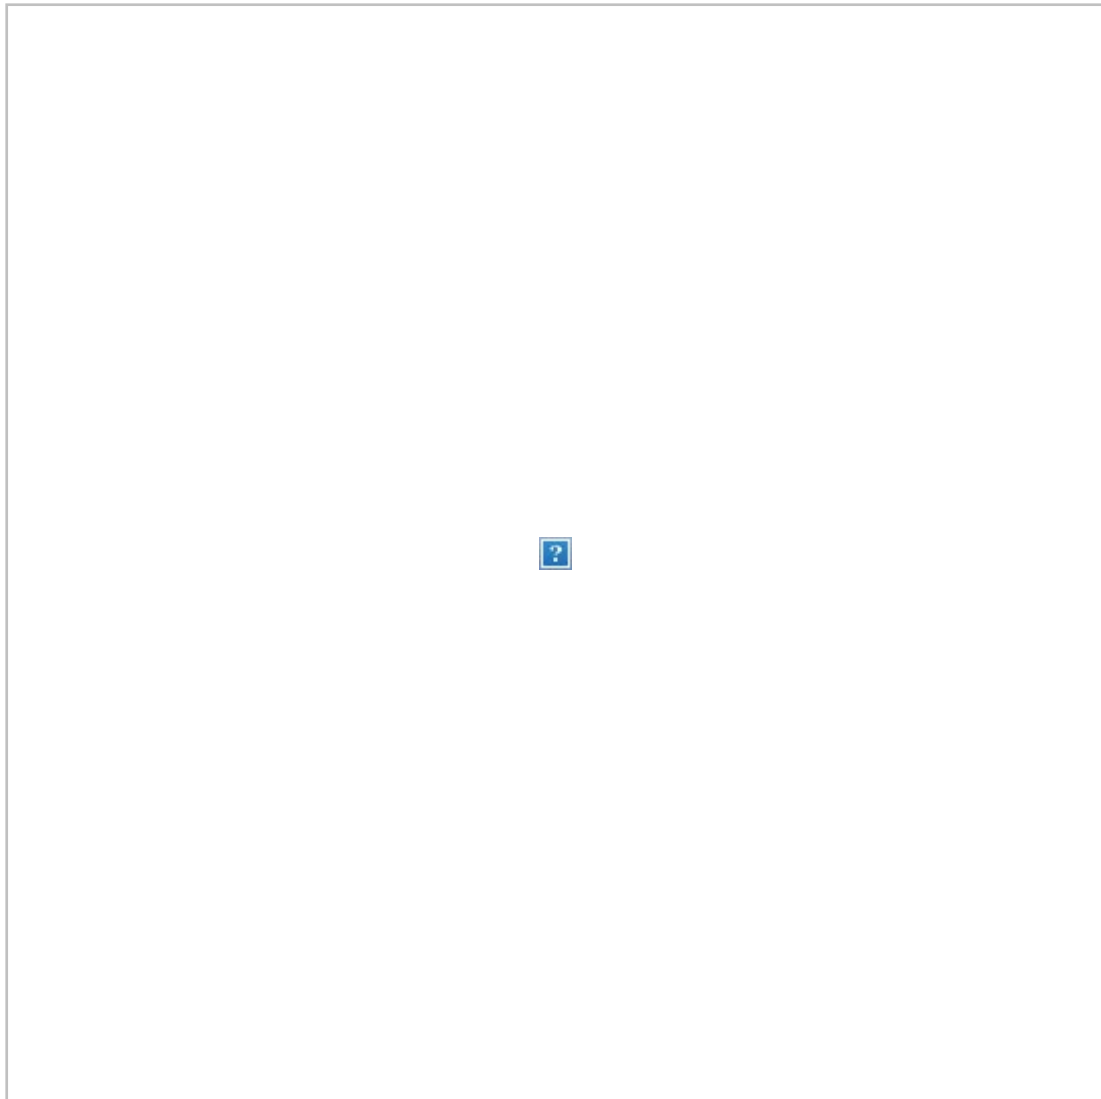

Every student should have an opportunity to **find hope in Jesus and home in the local church**. We exist to strengthen your church with the tools and confidence to love, welcome and disciple students. We are committed to championing a worldwide movement of student mission to see:

**A generation finding hope in Jesus**

**Students finding home in your church**

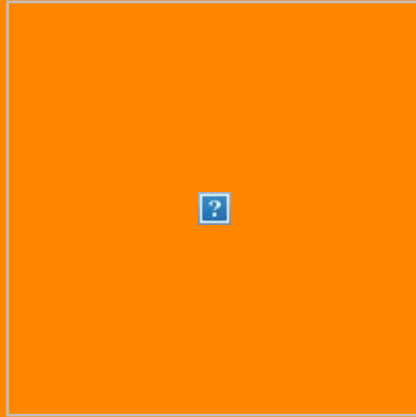

**Every church resourced to reach every student**

We want to help you to play your part in seeing students' lives transformed. The formation of a generation is happening right now. **The question is, what role can you play?**

[Discover how you can play your part](#)

**74% of non-christian students** would go to church if a friend invited them. Join the missional opportunity of a lifetime.
