Training Focus | January 2024

Dear Roger,

Thank you for opening this email and for sharing our vision of a world where every child and adult can feel and be safe. We couldn't do this without you! This month the spotlight is on...

NEW: Safeguarding Leads Peer Reflection

Have you completed our [Safeguarding Leads](#) webinar in the last 12 months? Our new Safeguarding Leads Peer Reflection is designed to enable you to apply key learning from the Safeguarding Leads webinar to your own context.

Safeguarding Lead, reflecting on the Safeguarding Leads webinar: *"I probably had about 50 more questions, but there isn't the time and the webinar is not the place."* Peer reflection sessions seek to provide the space to explore these questions with other safeguarding leads, facilitated by a safeguarding expert.
