

Turnaround House

Turnaround House have several exciting opportunities to join our staff team in the work we do supporting young people aged from 16-25 years old.

We are currently looking for someone to work 3 sleep in shifts per week in our busy supported housing project. The sleep in staff will need to spend some time with the residents before going to bed in Turnaround and being available on an on call basis throughout the night.

We are also looking for a health and wellbeing support worker for 15 hours per week. This will involve planning and working with the key worker staff to develop a health and wellbeing program to run with our residents in Turnaround.

We would consider these two posts as separate roles or potentially together dependant on the applicant.

As well as the above posts, we are looking to create a list of people that we can call, on an as and when we need them basis. This Bank worker list will need to consist of people who would be able to come and cover a shift in Turnaround at short notice, for example if someone calls in sick or is off on annual leave.

For further information and for an application pack, please contact David on either 01637 875684 or by email at david@turnaroundhouse.org.uk

Closing date for all applications is 5pm on Monday 6th February 2023
