

Job Title	Production Team Leader
Salary	£9/hour
Employed by	The Engine House Church
Accountable to	The Engine House Church Leadership
Hours of Work	4 Hours Per Week
Length of Contract	1 Year

Purpose of Job

- To be responsible for overseeing all of our sound, lighting and projection here at The Engine House.
- To release worship and creativity through media and production.

Key Duties

- Overseeing all areas of production throughout the week in church.
- Organising and maintaining all equipment and the stage.
- Finding new creative ways we can enhance stage design.
- Building, encouraging and training the volunteer team and recruiting new members to help facilitate every area of production in the church.
- Oversee the development of Facebook Live.
- Upload services onto social media.

We are looking for someone who is passionate about God and seeing Him move in people's lives through sound, lighting and production. They must be able to think creatively and follow after the Holy Spirit, have good oral and written communication skills and be able to work on their own and as part of a team. It is essential that any applicant has experience in using a digital sound desk and of live mixing and the ability to train others. A qualification in sound engineering or a related area is desirable but not essential. We are looking for someone who God has given a heart and calling to this role here at The Engine House Church.

There is an occupational requirement that the post holder is a Christian, living their life by Christian values and regularly attends the Engine House Church.
