**But let justice roll
on like a river,
righteousness like
a never-failing
stream!**

Amos 5:24

Dear Roger/sue,

As 2022 draws to a close, we are more committed than ever to seeing real, deep improvements to the care systems across the UK. We will not stop advocating for children in the care system and those who care for and support them.

Our work in 2023 will include collaborating with parliamentarians to ensure that paid leave is available to adoptive parents who are self-employed. We will also be shining a light on how we can find the thousands more foster carers that are needed across the UK. Watch this space for updates and for more information in the new year!

We'd love it if you could join us in praying that the voices of children, young people and families would be heard and heeded by those in power as we seek to spark systemic change and find a home for every child who needs one. Let's pray that justice will roll like a mighty river.

But let justice roll on like a river, righteousness like a never-failing stream! Amos 5:24
