## Become a Champion!

### Inform : Pray: Action

Imagine feeling like you live on an island – cut off from other Christians around the world. Your friends persecuted, tortured, and killed for their faith in Jesus. Imagine your pastor threatened, your church raided by police and Bibles made illegal.

If you could do something to help Christians facing these risks, would you act now?

World Compassion is looking for **Champions** to stand with Christians in hostile nations. You can provide a Christian in Iran with a Bible, train a pastor in China, help Christians in Iraq, disciple a Christian in Myanmar or build a church in Cuba.

As a **Champion**, you can:

- Mobilise your church to Pray
- Organise events to raise awareness and funds
- Give directly either as an individual or a church
- Share regular news with your church about how they have helped Christians in hostile nations

We will help you do this by providing you with a toolbox of resources, including:

- Videos, stories and information about life for Christians in Iraq, Iran, China, Myanmar and Cuba
- Ideas about events that you can organise to bring your friends or church together to raise awareness and funds towards the work of World Compassion
- Regular prayer needs for Christians in hostile nations
- News updates about the work of World Compassion
- Regular news from the UK

Whether you want to **Champion** a project or nation that God has placed on your heart or whether you want to help more generally – you will make a real positive difference to a Christian facing risks because of their faith in Jesus.

To become a **Champion** please complete the form below. We are so grateful for your step of faith in standing with us as we **Champion** the cause of Christians across unsafe borders.
