New Pricing, Same Heart

If you've been a long time member of the Creation Fest Family, or are a first time guest, we'd love for you to be with us this summer! We've heard your feedback and we've made some changes from previous years. This year we'll have one Event Ticket for all attendees with Camping being an additional extra. This change is to balance the cost that our faithful campers have been paying for many years, encourage more people to camp on-site, and create a lasting legacy that continues to impact the Southwest church. Our pricing has changed, but our heart is still the same - if you are someone who is seeking faith or is working out what this whole God thing is about, your Event Ticket is FREE! Oh, and did you know that under 5's get both their Event and Camping Ticket totally free. We'll be releasing details on how to book free Event Tickets in the coming weeks.

Volunteer With Us

The Creation Fest team serves in many ways before, during and after the event. It's a great opportunity to meet new people, learn new skills and join a community that feels like a family. This year we need 450 volunteers to help make the Festival run smoothly.
